

ALLEGRA TROIANO- SENEGAL 80-82 -TEFL

I taught English to 60 students in two 6eme classes (6eme was the 1st year of high school); this is me with some of them.

I had a friend take a photo of the two little girls (Fa Bintu and Pichotte) in my 'adopted family'.

Djenaba was a student at my school and also was one of the teenagers in my 'adopted family', so I hung out with her and her sister.
